

Respiratory Spray Ready to Use

Ready to use, water based product including the natural essential oils, eucalyptus, peppermint, camphor and tea tree with a biodegradable sorbitan emulsifier for the symptomatic relief for animals with breathing problems. Emvelo Pet Breathe⁺ helps to liquefy thick sticky mucous and open up breathing passages.

***Store in a cool dark place out of direct sunlight.
Do not refrigerate.***

Instructions

Apply this ready to use spray into the air. It can also be applied directly to halters, leads or rugs, animal bedding etc. Recommend to use 2-3 days evening and morning or as required. For large areas - we recommend purchasing concentrate and apply in larger sprayer. Further dilution is not recommend .
