

Topical Spray

A natural culture of beneficial micro organisms, grown in molasses water with selected aromatherapy oils, neem, aloe vera, lemongrass and citronella. No genetically modified micro organisms included. Safe around children and pets

***Store in a cool dark place. Do not refrigerate.
Do not store in glass***

Instructions and Dosage

Apply spray to affected areas but do not spray direct near the eyes. A thoroughly cleaned hand held sprayer is best used for this. The product should be applied using a very fine mist. Initial application we recommend applying neat to troublesome areas such as legs, head and tail. If clogging of spray occurs then product can be diluted 1:1 and applied in a heavy mist. Can be diluted up to one part product to 9 parts water if used daily.
